Packed with Purpose

## OUR STORY

### The Pukete Catering Co.

Packed with Purpose.

Born from the heart of the Pukete Neighbourhood House in Hamilton, The Pukete Catering Co. is more than a catering business – it's a social enterprise powered by purpose. Every sandwich, every lunchbox, and every bite we serve helps to sustain and grow the vital programmes and services that support our community.

We exist to make food that not only tastes good but does good. Whether we're delivering fresh, wholesome lunches to local schools or catering meetings for nonprofits and socially minded businesses, our mission is simple: bring people together through food while giving back to the community that raised us.

We believe in nourishing connection between people, organisations, and causes, with meals that are handcrafted, affordable, and full of integrity. All profits go straight back into supporting the work of Pukete Neighbourhood House, helping us serve children, families, and communities across Hamilton.

Join us at the table. Because when we share food, we share purpose.

## OUR VALUES

### Purpose-Driven

Every dollar supports local programmes, not private profit.

### Community-Centric

Created by the community, for the community.

### Sustainable

Mindful sourcing, minimal waste, and thoughtful packaging.

### Fresh & Simple

A focus on quality ingredients and delicious simplicity, centred around the humble sandwich.
